## Contact us

From product to education tools, we are here to help you make a smooth transition to ENFit®. Please contact your sales representative or call Customer Service to learn more about ENFit® and how your facility can transition without interruption in your patients' enteral feeding.

## Why Cardinal Health

Cardinal Health is committed to helping make enteral nutrition delivery safer across the care continuum. We are proud to be an original member of GEDSA. Our Kangaroo™ nutritional delivery portfolio offers a full range of products that support pediatric and adult enteral therapy – from hospital to home.
