# About Us

---

Global Health Products, a family-owned business based in Rochester, NY, has dedicated over 35 years to the healthcare industry. Specializing in nutritional supplements, our product line caters to the unique needs of hospitals, dialysis centers, nursing homes, bariatric centers, pharmacies, and health-conscious individuals. Committed to providing high-quality solutions with ingredient transparency, we value your well-being.

Having worked closely with esteemed healthcare service providers, we continuously adapt to the evolving industry landscape. By creating innovative products that meet emerging needs, Global Health Products has become a leading manufacturer in the wellness sector. Our ongoing goal is to develop superior products that enhance health and well-being.

Our success is attributed to a diligent and knowledgeable staff, and we prioritize maintaining an honest and accessible company culture. We genuinely care about those who use our products and are readily available to assist with any health-related inquiries. Your well-being is our top priority, and we look forward to supporting you on your health journey.

# LiquaCel® Quality Assurance

---

## INGREDIENTS

All ingredients have COA (Certified of Analysis) validation. The ingredients are monitored for shelf life, to maintain that only quality ingredients are utilized in the manufacturing process.

Each ingredient is individually weighed to ensure product consistency from batch to batch.

## SAFETY STANDARDS

Analytical tests are performed to ensure water activity, color and flavor are meeting the current product specifications every 30 minutes throughout the production process.

The specific water activity ensure the stability of the product during ambient storage conditions.

## MANUFACTURING

Products are manufactured on designated production lines. The employees are trained to the current FDA GMP & SQF GFSI Standards.

Operational tests are conducted to ensure weight control, serving size, metal detection and leak detection throughout the manufacturing process.

## CERTIFIED

SQF in compliance with FDA code of regulations title 21  
Global Food Safety Initiative  
FDA Registered

All manufacturing processes are documented with each batch to ensure traceability of the ingredients, packaging materials, validation of the product process and final review before product is released for shipment

Final packaging made the in USA

## Peach Mango Colada

Ingredients:

- 1 oz Peach Mango LiquaCel<sup>®</sup>
- 2 oz pineapple juice
- 2 oz unsweetened coconut milk
- cherry for garnish

Combine LiquaCel<sup>®</sup>, pineapple juice and coconut milk. Mix in a blender or cocktail shaker. Add a cherry for garnish!

Provides: 17.2g protein

---

## Pro-Tini

Ingredients:

- 1 oz of your favorite LiquaCel<sup>®</sup>
- 4 oz liquid: water, ginger ale, club soda, apple juice, cranberry juice, Crystal Light, etc.

Pour ingredients into shaker, add ice and shake. Pour into glass.

Provides: 16g of protein

## Watermelon Mojito

Ingredients:

- 1 oz Watermelon LiquaCel<sup>®</sup>
- 1 oz lime juice
- handful mint leaves
- 3 oz ginger ale
- garnish with more mint

Pour ingredients into shaker, add ice and shake. Pour into glass.

Provides: 16g protein

---

## Apple Iced Tea

Ingredients:

- 1 oz Apple LiquaCel<sup>®</sup>
- 3 oz unsweetened tea
- 1 oz club soda
- 3 oz ginger ale
- mint and slice of lemon for garnish

Pour ingredients into shaker, add ice and shake. Pour into glass.

Provides: 16g of protein

Formulated  
to Assist  
in Wound  
Healing!

## PUSH 20+ | Advanced Collagen Blend

A unique blend of complete protein coupled with patented collagen dipeptides that activate the body's wound healing mechanisms. This innovative formula boasts a high absorption rate and bioavailability, ensuring optimal nutrient utilization. It also enhances tissue hydration, accelerates wound healing, promotes epithelialization, and effectively stimulates the synthesis of hyaluronic acid, providing comprehensive nutritional support for overall well-being.

### FEATURES

- 20g of complete protein - building blocks to aid in healing and maintain lean muscle mass
- Patented blend of highly concentrated dipeptides that promote tissue proliferation
- Micronutrient wound healing support - vitamin C, vitamin E & zinc
- Arginine - essential amino acid to aid wound healing
- Hyaluronic Acid - promotes skin moisture
- Found in human plasma for up to 4 hours

### BENEFITS

- 3 great flavors: apple, black cherry, & orange
- Ready to drink or simply add 1-4 oz of water
- Low volume 1.25 oz packet
- Ideal for oral and enteral nutrition
- Sugar free and gluten free
- No messy powders

**GH98B:** Watermelon & Peach Mango Protein Gummies 10/Case

Promotes  
Wound  
Healing!

## PUSH | Collagen Dipeptide Concentrate

A patented blend of powdered collagen dipeptides that helps reduce heal time. Highly concentrated Proline-Hydroxyproline (PO) and Hydroxyproline-Glycine (OG) team up to form a dipeptide formula that is not easily degraded. Studies show that PO and OG reach the cellular level in the skin, bones and joints.

These dipeptides send out signals to cells to energize the collagen peptide production by fibrocytes and chondrocytes and promotes the growth of hyaluronic acid. This creates resilient tissue, stimulates cell division and aids in wound healing.

### FEATURES

- Ideal wound care supplement<sup>1</sup>
- Easy to use packets
- Mixes easily with 3-4 oz of water
- Patented blend of highly concentrated dipeptides
- Great tasting pineapple & mixed berry flavors
- Improves skin texture, elasticity & moisture<sup>2</sup>
- Sugar & gluten free
- Will not plug enteral feeding tubes

### IDEAL FOR

- Pressure Injuries
- Diabetic Wounds
- Pre-Post Operative
- Dry & Fragile Skin
- Preventative Care
