

Kangaroo™ IRIS

**The first feeding tube
that comes with a view.**

We put a camera inside a small-bore feeding tube, so you can feel confident about where you're placing it in real time. It's designed to help you position tubes safely at the bedside and expedite delivery of nutrition. The Kangaroo™ Feeding Tube with IRIS Technology. Just one of the many ways Kangaroo™ is by your side.

Simulated image used to approximate final results.

Kangaroo™ IRIS Console
