ACHIEVING THE SWEET SPOT 2018:

Latest Advances in Diabetes Care for the Multidisciplinary Team

Friday, Nov. 16

Troy Marriott

200 West Big Beaver Road
Troy, MI 48084

Provided by Beaumont Health
in collaboration with the
American Diabetes Association

Beaumont

Description:

This educational symposium will provide health care providers with practical approaches for the management of diabetes. Participants will have the opportunity to become updated on current evidence-based guidelines, focus on practice-based learning and improvement while network with colleagues.

Target audience:

Physicians, physician assistants, nurses, nurse practitioners, pharmacists, dietitians, fellows, residents and students with an interest in the areas of family medicine, endocrinology and internal medicine.

Objectives:

At the conclusion of this conference, participants should be better able to:

1. Describe how the knowledge of Type 2 diabetes pathophysiology logically translates into management principles and identify how the different classes of anti-diabetic agents can be used to optimize glycemic control while minimizing adverse effects.
2. Recognize the role of Continuous Glucose Monitor (CGM) in diabetes management and demonstrate skills in appropriately utilizing CGMs to assist in clinical practice.
3. Indicate best approaches for the treatment and prevention of diabetic retinopathy, nephropathy and neuropathy.
4. Review relevant cardiovascular outcome trials and evaluate application to clinical practice.
5. Discuss the complexities of living with diabetes.
6. Describe the seven self-care behaviors integral to successful diabetes self-management.
7. Discuss the impact of language on motivation, behaviors and outcomes in diabetes management.
8. Describe the diagnostic criteria, treatment and blood glucose targets for the management of diabetes in obstetrical patients.
9. Discuss appropriate glucose management strategies during hospitalization.
10. Define the different types of diabetes and recognize the differences in the pathophysiology and prevalence of each type.

Desired Learning Outcome:

At the conclusion of the educational activity, participants will self-report knowledge gain of current best practices for diagnosis, treatment, management and prevention of diabetes and its complications as well as strategies to facilitate the adoption of self-care behaviors that can lead to improved health and quality of life.

Physician Continuing Medical Education:

Beaumont Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dietitian Continuing Professional Education:

This activity is approved for 5.5 CPE credits for dietitians.

Nursing Continuing Education:

Beaumont Health is an approved provider of continuing nursing education by the Ohio Nurses Association an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-378, 10/1/2019) 5.5 Contact Hours will be Awarded.

Criteria for successful completion includes attendance at entire event and submission of a completed evaluation form.

Pharmacist Continuing Education:

 Beaumont Health System is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Pharmacists have the opportunity to earn 5.25 hours of continuing education credit.
